Enrollment Options for Current Junipero Serra Annex Families

Enrollment for Next Year (2027-28)

Children who will be continuing in PreK in 2027-28: **We will prioritize the placement of JSA children in a PreK classroom at a school of the family's choice for next year.** The Early Education Department will survey current PreK families of their school preferences for 2027-28 in March, and will enroll the child at that site once JSA closes.

Children who will be enrolling in TK in 2027-28: Families will apply for a TK placement through the TK-12 Student Assignment process, with the applicable tiebreakers. If you'd like to enroll in a TK classroom at MEC, you'd rank those classrooms highest on your list.

Children who will be enrolling to K in 27-28: Families will apply for a K placement through the TK-12 Student Assignment process, with the applicable tiebreakers. If the child is enrolled in TK, they can automatically attend their feeder elementary school for K without reapplying.

What to Expect for Summer 2027

The last day of school at JSA will be June 2 for TK/OST and June 4 for PreK.

Children who will be continuing in PreK in 2027-28: Children will move to their new PreK school on June 7.

Children who will be enrolling in TK in 2027-28: Children will continue in PreK over the summer; PreK children, teachers and paraeducators will spend the summer at MEC starting on June 7.

Children who are enrolled in TK OST for 2026-27: The first day of OST will be June 3. SFUSD will offer them summer enrollment at an OST of the family's choice, pending capacity.
