EXT

Hello [redacted],

I appreciate your approval for the 28 spaces for $500 per space tax-exempt.
Now, they would like to add 35 more additional space but outside the gated area.
I will recommend leasing the additional 35 space, but they will not reserve but random spaces and we will give them the commercial regular rate which is $430.00
They want 3 years firm lease and the option to extend to 5 years.
I will give them the first three $500 for reserved tax-exempt and $430 for regular.
and I will bump $20 for each rate for the last two years.
Let me know your thoughts.

Thank you,

Before you move forward on this, please confirm the current deal with ICE—how many spaces, for how long, and at what price per stall; and what they are now asking—same questions. Thanks.

Hello [redacted],

We were reaching by DHS-ICE, and they would like to add 48 more space, but they are interested to take the additional 28 spaces that are next to their cage and not being use often because it is hard to get in and out. I will recommend giving them. They send an email and they call about this spaces.
Let me know your thoughts.
